

PCSP Library 
ONLINE

Let's get started!

This first screen enables you to search for a title by keyword, title, author or subject.

At the bottom of the screen you can browse through new items and most popular items (these lists are both updated on Mondays). "New items" are items that have been added to the library's collection, and do not necessarily reflect publication date.

Logging In

To sign into your account, click on the login button, on the top left corner of the screen.

A full screenshot of the PGSP Library website's login page. The page has a dark grey header with a home icon, a user icon, and the text 'Login'. Below the header is a search bar with a magnifying glass icon, the text 'Search', a dropdown menu labeled 'Keyword', and two buttons labeled 'SEARCH' and 'ADVANCED'. The main content area is white and features the PGSP Library logo on the left. In the center, there is a heading 'Login to view your account information' followed by a 'Username' label and a text input field, a 'Password' label and a password input field, and a 'Remember Me' checkbox. Below these fields is an orange 'Login' button. At the bottom of the page, there is a dark grey footer with the text: 'Thank you for visiting the PCSP Library site.
