Garbage Guzzlers Days

Frustrated with the mess of garbage in ditches and open spaces? We invite you to take time to work towards a cleaner community and take pride in our town. The Recreation Department would like to invite all businesses, organizations, and/or groups of residents to participate in the 2010 Garbage Guzzler Days. This is a clean-up effort with a little incentive. Groups are encouraged to clean-up different areas of the community and in return they would receive a donation for their efforts. If you would like further information on this or if you would like to let us know what area you are going to be cleaning up, please contact Dawn Sharpe @ 895-8000 ext. 4. Garbage bags and gloves will be available at the Town Hall for pick up.

Please be aware of driving speeds and speed limits within the Town. Especially with the summer in full swing and kids and teenagers out on the go. Have a happy and safe Summer.....
