

Beautification Strategy for Town Will Offer Rewards

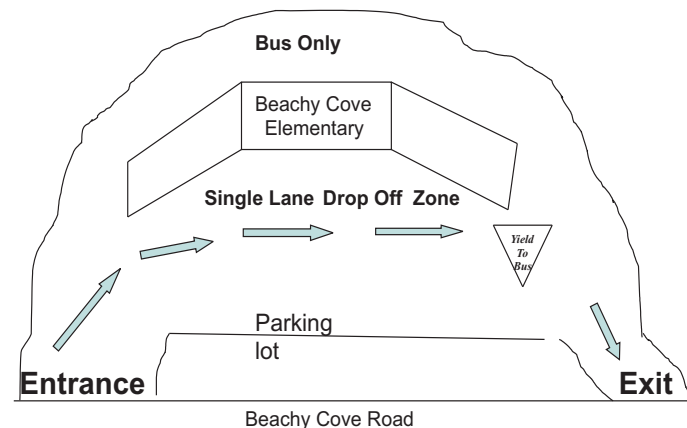

The Town is encouraging all of our businesses to present a positive and attractive image. Each year starting in the spring of 2011 the Town will recognize a business with its New Business Beautification Award. The recipient will be provided a Certificate by the Town and a write-up of the Business will be included in the Town's Full page advertisement in the Telegram's Horizons Edition. Keep watching for the entry guidelines etc. that will be published in the early spring.

Businesses will be judged based on the following Criteria on a Scale 1-5.

- Signs - attractive and inviting
- Access - clean and tidy
- Building - well kept and attractive
- Presence of Flowers (annuals or perennials on premises)
- Parking lot Pavement - good condition and clean
- Window Displays - attractive and appropriate to business
- Any unusual/extra touch to enhance the place

Motorist Advisory Traffic Flow at Beachy Cove Elementary School

Effective immediately the entrance and exit to Beachy Cove Elementary School has been **REVERSED**. All traffic must **ENTER** through the west access (formerly the exit) and **EXIT** through the east access (formerly the entrance). This is to facilitate the loading and unloading of buses at the rear of the school. The access around the school is now limited to bus and service traffic. Signs have been posted to clearly identify this change and direct all motorists to the new traffic flow.

Library Programs Set for Fall

The Town's preschool Tots & Us program resumes on Wednesday, September 8th at the PCSP Rec Centre. This is a drop in program between 10:00 a.m. and 12 noon. The fee is \$2.00 per child and a healthy snack is provided. This is the perfect opportunity to meet other young mothers and care givers, chat and share ideas about parent and children issues. This is a **tree-nut and peanut free** environment.

The fall session of the Library's Storytime program resumes on Wednesday, September 15th. There are spaces available for the Wednesday afternoon slot, (2:00 to 2:40 p.m.) Storytime consists of a themed coloring sheet, a read-aloud story and an easy themed craft to follow. This session will last until December 10th, at a cost of \$10.00 per child. Seasonal parties are also included. This is also a **tree-nut and peanut free** environment.

RNC to Provide Neighbourhood Watch Information Session

RNC Constable Karen Hemmens, as well as a representative with the City of St. John's Neighborhood Watch Program, will be at the Town Office on September 2nd, 7:30pm to encourage residents of Portugal Cove - St. Philip's to implement our own Neighbourhood Watch Program. The RNC is hosting a meeting and inviting all residents and interested parties to participate.

What is Neighbourhood Watch?

Neighborhood Watch is a community based crime prevention program that has been used internationally to reduce crime by reducing the opportunities for crime to happen. It involves neighbours working together, being alert to suspicious activities and looking out for one another to help create a safer environment for everyone.

Neighbourhood Watch is a safe program that does not require you to patrol or take on the responsibilities of the Police. It is about banding together to keep our eyes open to anything out of the ordinary, and alerting the police to help prevent crime in our communities.

Why Do We Need Neighbourhood Watch?

Simply put, because it works! It has been tried and tested for many years and with neighborhood cooperation, it has always worked. It helps us to feel and be safer, and to create a better place to live, work and play.

Who Can Take Part in Neighbourhood Watch?

Anyone and everyone in your neighbourhood can take part. It is a safe and practical program for the whole neighbourhood to take action against crime and the

perception of crime. New Canadians, youth and the elderly - there are no barriers in the fight against crime - everyone can contribute.

Where are the Neighbourhood Watches?

A Neighbourhood Watch can be anywhere there are people who want to reduce and prevent crime in their neighbourhood. A street, a cul-de-sac, a block of apartments - there is room for all kinds of neighbourhoods, big or small, in the program. You can help to start one in your neighbourhood, or if there is one already active, you can join anytime.

How can I start a Neighbourhood Watch Program?

Come to the meeting on September 8th, at 7:30pm at the Town Office and the Town, in cooperation with the RNC, will make sure you and your neighbours have all the details and information you need to get started.

Become a volunteer today!

There are great opportunities to help your neighbourhood to become safer by volunteering as a Block Captain, Watch Volunteer, or Watch Member with Neighbourhood Watch. It's easy, and it's fun - connect to your neighbourhood and help protect YOUR community! Call 895-8000 today.

Remember:

We are **ALL** neighbours and we can **ALL** join this effort -

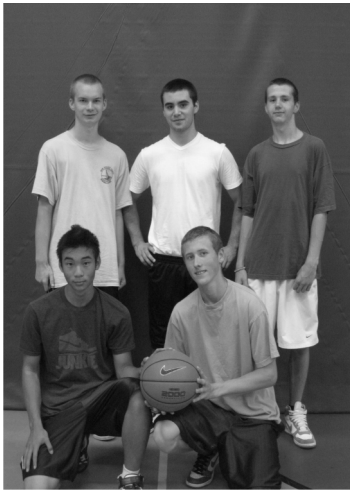

Let's Connect and Protect!
