 Carried Unanimously

DELEGATIONS/PRESENTATIONS

- Municipal Awareness Month Proclamation
- Matt Piercey, a resident of the Dogberry Hill Road area, presented concerns with an application for a proposed residential subdivision in his area. Mr. Piercey's comments will be discussed at the next Planning and Development committee meeting.

ADOPTION OF MINUTES

Motion: Bartlett/Collins  
 2017-238 Resolved that the minutes of April 25, 2017 be adopted as circulated.  
 Carried Unanimously

## BUSINESS ARISING

### 1. Action Item List continues to be updated

### 2. Level of Service Review Project

Met with the proponent for the Level of Service Review project on April 28 to finalize the details of the contract. We decided that the contract would be prepared to reflect the deliverables of the RFP as presented in their submitted proposal. This item is coming forward later in the meeting.

### 3. Military Bridge

I had to defer a meeting with representatives of the Canadian Military this week due to a conflict in their schedule. They have raised the idea of building a wooden foot bridge somewhere in town as a training exercise. All it would cost the Town is for the materials. The meeting was to explore possible locations and any roadblocks to them completing it. The Director of Economic Development is rescheduling the meeting.

### 4. Commissioners

Through our partnership with the Corp of Commissionaires, they are now attending our Protective services committee to deliver a report on active and pending activity. Last week's committee meeting is the first to include a formal report that is included in this week's committee report later in the agenda

### 5. MNL focus on Regional Government

MNL Symposium was Thursday, Friday, and Saturday last week. Councillor Collins, Councillor Hanlon, Mayor Tucker and I all attended the conference in Gander. There was a broad range of topics with the most prominent being a consultation session on Saturday regarding regional government.

## COMMITTEE REPORTS

### Planning & Development Report of May 2, 2017 – presented by Councillor Collins

#### 1. Civics # 92-94 & 96 Witch Hazel Road – Reconfigure Property Boundaries, Single

Motion: Collins/Hanlon  
2017-239 Resolved that the application to reconfigure property boundaries at Civics # 92-94 & 96 Witch Hazel Road and construct a single dwelling and agricultural activity at Civic # 96 Witch Hazel Road be granted approval in principle as per Appendix A: Tabled Report.  
Carried Unanimously

#### 2. Civic # 8-10 Johnathan Heights– Business (Personal Service)

Motion: Collins/Bartlett  
2017-240 Resolved that the application to establish a personal service business (day spa) as a home occupation at Civic # 8-10 Johnathan Heights be granted approval in principle as per Appendix A: Tabled Report.  
Carried Unanimously

**3. Civic # 48-54 Skinners Road – Cellular Antenna**

Motion: Collins/Bartlett  
2017-241 Resolved that the application to install six cellular antennas to an existing cellular tower at Civic # 48-54 Skinners Road be granted approval in principle as per Appendix A: Tabled Report.  
Carried Unanimously

**4. Department of Fisheries and Land Resources – Crown Land Application Referral**

Motion: Collins/Will  
2017-242 Resolved that Council correspond with the Department of Fisheries and Land Resources advising that the Town cannot recommend approval of the application for Crown Land at Civic # 89B Woodland Drive as per Appendix A: Tabled Report.  
Carried Unanimously

**5. Baccalieu Horizon Residential Subdivision – Request to Amend Subdivision**

Note Councillor Hanlon left the meeting prior to discussion of Item # 5.

Motion: Collins/Will  
2017-243 Resolved that an amendment to the Baccalieu Horizon Residential Subdivision Agreement be completed regarding the conveyance of public open space as per Appendix A: Tabled Report.  
Carried Unanimously

Councillor Hanlon returned to the meeting after discussion of Item # 5.

**6. Country Gardens Covenant**

The Committee discussed the Town’s involvement regarding the Country Gardens covenant. This item was referred to the Committee at the April 25th, 2017 Council meeting.

The Committee reviewed a legal opinion from the Town’s Solicitor regarding the Town providing a new service regarding restrictive covenants. He concluded that “the Town may very well be attracting liability that it could easily and economically avoid by simply not offering this service”.

**7. Civic # 270-282 Witch Hazel Road – Condition of Building**

Motion: Collins/Hanlon  
2017-244 Resolved that Council place a Removal Order on a dwelling at Civic # 270-282 Witch Hazel Road due to safety concerns presented regarding the condition of the structure.  
Carried Unanimously

**8. Subdivision Design Standards (Maximum Length of Cul-de-Sac)**

Deferred to a future Committee meeting

**9. Permits issued from April 13th to April 27th, 2017**

There were twelve (12) permits issued from April 13th to April 27th, 2017 as per Appendix A: Tabled Report.

Recreation and Community Services Committee Report

- No meeting was held

Public Works Committee Report of May 3, 2017 - presented by Councillor Bartlett

**1. Grand Concourse Authority (GCA) Trail Maintenance Fee 2017 – Voiseys Brook Trails**

Committee was advised of the 2017 trail maintenance fees for Voiseys Brook trails. As a condition of membership, trails constructed by the GCA are maintained by GCA. Maintenance services include mowing, litter collection, vegetation removal, surface structure repairs and maintenance and repairs to all walk amenities. This is a budgeted item for 2017.

Motion: Bartlett/Collins  
2017-245 Resolved that Council approve the 2017 service fees for Voiseys Brook Trails by the Grand Concourse Authority in the amount of \$16,976.24 plus HST.  
Carried Unanimously

**2. Meadow Heights Lift Station Generator**

The Meadow Heights Servicing Plan includes the placement of a sanitary sewer lift station. As it is expected there will be surplus monies available through the multi-year capital works funds due to the Nearys Pond Road and Meadow Heights Servicing projects forecasting under budget, staff has recommended the additional dollars be used to purchase a generator to add to the Town's capacity for emergency power for lift stations. Over the past few years, additional lift stations (Blagdon Hill, Waters Edge, Oceans Edge and now Meadow Heights) have been implemented yet no additional generator capacity added. The Department of Municipal Affairs and Environment (DMAE) has agreed to cost share the purchase of this equipment at a 50/50 arrangement.

Motion: Bartlett/Will  
2017-246 Resolved that the anticipated surplus monies under the multi-year capital works funds be allocated to a 50/50 cost share arrangement with DMAE for the purchase of an emergency power lift station generator as per specifications determined by the requirements of the Town's infrastructure.  
Carried Unanimously

**3. Animal Control Services – Partnership with the Town of Torbay**

A proposal for shared Animal Control services with the Town of Torbay was discussed. This partnership will provide enhanced services to the resident of Portugal Cove-St. Philip's through daytime patrols, dog impounding and a higher level of enforcement capability under the Animal Health and Protection Act with special constable provisions. The Town of Torbay has already partnered with The Town of Logy Bay, Middle Cove, Outer Cove, Town of Flatrock and the Town of Pouch Cove on this front.

Motion: Bartlett/Collins  
2017-247 Resolved that the Town enter into a partnership with the Town of Torbay as per the letter of proposal dated December 18, 2016.  
Carried Unanimously

**4. Portugal Cove Road Pedestrian Pathway (Sidewalk) Project**

The concept for the Portugal Cove Road sidewalks was discussed. Committee asked that the information be shared with Council of the Whole to ensure all Council members are aware of the concept being proposed.

**5. Speeding on Olivers Pond Road**

A complaint was received indicating excessive speeding on Olivers Pond Road with a request for traffic calming installations. The complaint will be referred through the Town's Traffic Calming Policy process.

Economic Development, Marketing & Comm. Report

- No meeting was held.

Protective Services Committee – May 2, 2017 presented by Councillor Hanlon

**1. Commissionaires – Municipal Enforcement**

- a) Representatives from the Commissionaires met with the RNC, Sgt. Kevin Foley and Insp. Barry Constantine, as a means to discuss their role as Municipal Enforcement and open the lines of communication.
- b) The Committee discussed the possibility of having radios carried in the Commissionaire's vehicles. This would help to mitigate a potential communications gap, especially during after-hours and emergency situations. The chiefs will inquire with 911 on the Town's behalf regarding radio contact with the Commissionaires.
- c) Representatives from the Commissionaires met with the Principal of Beachy Cove Elementary as a means of introduction and to open the lines of communication.

**2. Canada Day Security – Recreation & Community Services Department**

Nicole Clark, Special Events Coordinator for the Recreation and Community Services Department, met with members of the Committee with regards to security services for their upcoming Canada event in Voisey's Park. The Committee discussed the options available based on the three quotes received.

### 3. FES Updates

- a) Engine 2 is out for service for approximately 10 days for manufacturer's recall work; alternate arrangements have been implemented.
- b) FD Zodiac has been placed back in service for the season.
- c) NEA Fire Chiefs are meeting later in the month and the topic of recreational fireworks is on the agenda.
- d) The NEA training committee is continuing to work on training sessions for the fall.
- e) The Public Education Committee are currently working on Municipal Awareness Day, Canada Day, and PCSP Regatta Festival involvement.
- f) Provincial Forest Fire season began May 1st, residents will now be required to obtain a provincial burning permit from Paddy's Pond prior to obtaining a permit from the Town. An announcement on this will be placed in the next edition of the Northeast Avalon Times and it has been promoted on the Town's web and social media sites.

### Admin. and Finance Committee Report of May 18, 2017 presented by Deputy Mayor Will

#### 1. Accounts for Payment

Motion: Will/Bartlett  
2017-248 Resolved that Council approve payment of regular accounts in the amount of \$43,374.08 and Capital accounts in the amount of \$95,224.95 for a total of \$138,599.03 as tabled.  
Carried Unanimously

#### 2. Access To Information and Protection of Privacy Act Requests

The committee forwarded a report to Council to review the number of applicants and the volume of requests under the Access to Information and Personal Protection Act (ATIPPA) received from January 1, 2017 to May 8, 2017. The multiple concurrent requests for large numbers of records often interfere with the operations of the Town.

Council discussed the report which shows over 80% of requests are from one applicant. This applicant has submitted 52 requests, totaling approximately 145 questions since January 1, 2017. In order for the Town to process the ATIPPA forms and respond to the applicant, it took approximately 250 hours.

Council agrees the requests interfere with the operations of the Town and the cost of resources is too high. Some Councillors questioned if these requests are trivial, frivolous and/or vexatious. Another Councilor questioned if these requests are an attempt to sabotage the Town operations. For all these reasons, Council requested the Town to find a solution to this expense of resources being used and abused.

#### 3. Development Fees

The Committee had a general discussion regarding the Town's development assessment fees charged with permits for building lot development. The following applicable sections were reviewed as part of the discussion: Municipalities Act, 1999 s. 414(2)(tt); Urban and Rural Planning Act, 2000 s. 35(1)(e)(iii); and Town of Portugal Cove-St. Philip's Development Regulations 2014-2024 s. 17.

#### 4. Expropriation and Awarding of contract of Nearys Pond Road

Note that Deputy Mayor Will left the Council meeting prior to item #4 and Councilor Collins presented item #4.

Deputy Mayor Will left the Committee meeting prior to item #4 and Councillor Facey chaired the meeting and Mayor Tucker acted as ex-officio member for quorum.

A title search for a portion of land that the Town intended to acquire for the Neary's Pond Road rehabilitation project resulted in inconclusive or unclear ownership title. As a result, the Town has no clear rightful owner to focus a negotiation. Section 222(1)(b) of the Municipalities Act says that when we find ourselves in such a situation, the council may expropriate the land in accordance with Part IX of the Urban and Rural Planning Act, 2000. By doing so, the process will identify the owner(s) who will receive the value of land that the Town requires. The survey of the parcel of land is this report. Therefore:

Motion: Collins/Hanlon  
2017-249 Resolved that in accordance with s. 222 of the Municipalities Act, 1999, Council approve the Town proceeding with the expropriation of the land required for the new turning circle of Neary' Pond Road in accordance with Part IX of the Urban and Rural Planning Act, 2000.  
Carried Unanimously

The committee also reviewed the attached bid results for the tender to construct the Neary's Pond Road rehabilitation project and Vigilant Management's recommendation to award to lowest qualified bidder. The recommendation to award the project has been sent to DMAE for their approval. The recommendation is tabled with this report. Therefore:

Motion: Collins/Hanlon  
2017-250 Resolved that that Council award the contract for Nearys Pond Road, project # 17-MYCW-17-00116, to Farrell's Excavating Limited for a value of \$549,214.70, HST included, pending approval to award from the Provincial Government.  
Carried Unanimously

Deputy Mayor Will returned the Committee meeting after item #4 and resumed chairing the meeting.

Deputy Mayor Will returned to the Council meeting after discussion of item #4.

#### 5. Killick Coast Subdivision Guideline Gap Analysis

The Town received a draft of Killick Coast Subdivision Guideline Gap Analysis from Municipalities Newfoundland and Labrador (MNL). This document could be used in harmonizing Municipal Regulations and Policies for the Killick Coast Towns. The draft was reviewed and comments will be returned to MNL.

**6. Letter of concern re new MYCW allocation plan, from April 4 ctme meeting**

Committee discussed the need and decided to draft a letter of concern to Department of Municipal Affairs and Environment regarding the change in the new Multi Year Capital Works allocation formula.

**7. Level of Service Plan**

As a follow up to motion 2017-233 where the Town was working with Twells Consulting to refine the project and develop a contract, the Town Manager is recommending that the Town enters into a contract based on the proposal as submitted without changes. There is still an opportunity to adjust how survey data is obtained for the project. Depending on how this is done or who is obtained to do this work there may be an additional cost to the project but not necessarily as an addition to this contract. Any addition to this contract for this purpose will be on the contract hourly rate.

Motion: Will/Bartlett  
2017-251 Resolved that Council sign the contract with Twells Contracting to be the prime consultant for the Level of Service Review project at a cost of \$64,807.00 HST included.  
Carried Unanimously

**8. Portugal Cove Rd sidewalk**

Portugal Cove Rd sidewalk update: the design drawings have been received and sent to Public Works for review.

**9. Project Cost Recovery**

A draft project cost recovery policy statement document was reviewed by Committee.

**10. School Road and Tolt Road**

School Rd & Tolt Rd updates: application has been submitted and are waiting on Government approval.

**11. Soccer Field Expansion**

In accordance with prior budget acceptance and motion 2017-011, the Town has engaged Grand Concourse Authority and Turf Master to commence the expansion of Rainbow Gully Turf Field.

Motion: Will/Bartlett  
2017-252 Resolved that the Town issue a purchase order to Turf Master for expansion to the turf at Rainbow Gully Turf Field at a cost of \$289,000 plus HST.  
Carried For: Deputy Mayor Will, Councillors Bartlett, Butler, Collins and Hanlon  
Against: Mayor Tucker

**12. Staffing**

The Director of Financial Operations discussed necessary internal staffing changes to make the department run more efficiently.

**13. Water Meter Project Extension**

With reference to the Project 17-CWWF-17-0034 installati on of residential water meters, this project is awaiting RFP approval from cabinet and it appears unlikely that the original project date of March 31, 2018 will be reachable. We therefore need to apply for an extension to the project timeline.

Motion: Will/Butler  
 2017-253 Resolved that that the Town apply for an extension of the time required to complete Project 17-CWWF-17-0034 to March 31, 2019.  
 Carried For: Mayor Tucker, Deputy Mayor Will, Councillors Bartlett, Butler and Collins  
 Against: Councillor Hanlon

**14. Watershed Legal Case**

The watershed legal case was discussed and deferred to a Committee of the Whole Meeting, date to be determined.

**15. Correspondence**

The committee reviewed tabled correspondence from a resident regarding Town water and sewer and will send an acknowledgment.

**CORRESPONDENCE**

**NEW/GENERAL/UNFINISHED BUSINESS**

**1. Maggie's Place Development Plan presented by Councillor Butler**

Note Councillor Collins left the meeting prior to discussion of Item # 1

At the Council meeting of Tuesday, April 25<sup>th</sup> a motion from the Economic Development, Marketing and Communications committee meeting of Tuesday, April 18<sup>th</sup> was deferred as the final report for Maggie's Place Development Plan Work Package One was not completed. The report has subsequently been completed and distributed to Council for their review on Wednesday, May 3<sup>rd</sup>.

Motion: Butler/Bartlett  
2017-254 Resolved that the "Work Package One of the Maggie's Place Development Plan" be approved. This concludes work package one of the Maggie's Place Development Plan project.  
Carried Unanimously

Motion: Butler/Will  
2017-255 Resolved that Tract Consulting proceed to Work Package Two for the Maggie's Place Development Plan as per the project charter.  
Carried Unanimously

Councillor Collins returned to the Council meeting after discussion of Item # 1.

**2. Garbage boxes**

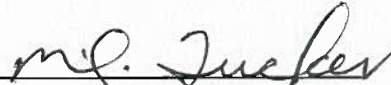

The lids on garbage boxes have been left open. Deputy Mayor Will requested the issue be brought back to the Public Works department for discussion and resolution.

**AGENDA ITEMS/NOTICE OF MOTIONS ETC.**

- None for this meeting

**ADJOURNMENT**

Motion: Hanlon/Collins  
2017-256 Resolved that this meeting be adjourned. Time is 6:22 p.m.  
Carried Unanimously

  
Moses Tucker, Mayor

**Appendix A: Tabled Report  
May 2<sup>nd</sup>, 2017**

**Applications:**

Item # 1:

**Civics # 92-94 & 96 Witch Hazel Road  
Reconfigure Property Boundaries, Single Dwelling, & Agriculture  
Zoning: Agriculture (AG) – Unserviced**

**The Committee recommends that the application to reconfigure the property boundaries at Civics # 92-94 and 96 Witch Hazel Road and the construction of a single dwelling and agriculture activity at Civic # 96 Witch Hazel Road be granted approval in principle. Approval in principle is subject to approval from the Department of Fisheries and Land Resources.**

The Administrator advised that this application does not comply with the Town's Municipal Plan & Development Regulations 2014-2024 due to potential conflict between the proposed use (residential) and surrounding existing land uses (commercial agriculture) as per Plan Policy AG-4 (Land Uses), Plan Policy AG-5 (Land Uses), Plan Policy AG-7 (Separation of Non-Farm Developments and Agricultural Operations), and Plan Policy AG-11 (Non-Farm Dwellings).

Item # 2:

**Civic # 8-10 Johnathan Heights  
Business (Personal Service)  
Zoning: Mixed Use (MIX) – Serviced**

**The Committee recommends that the application for Civic # 8-10 Johnathan Heights be granted approval in principle, permitting the establishment of a personal service business (day spa) as a home occupation. Approval in principle shall be in full compliance with the Town's Municipal Plan & Development Regulations and all other regulatory bodies of government, specifically Development Regulation 33 (Notice of Application), Development Regulation 102 (Discretionary Uses), Schedule C: Mixed Use, and Schedule D: Off-Street Parking Requirements.**

The Administrator recommended that Council use their discretion to grant approval in principle to this application.

Item # 3:

**Civic # 48-54 Skinners Road  
Cellular Antenna  
Zoning: Residential Medium Density (RMD)**

**The Committee recommends that the application for Civic # 48-54 Skinners Road be granted approval in principle, permitting the installation of six cellular antennas to an existing cellular tower. Approval in principle shall be in full compliance with the Town's Municipal Plan & Development Regulations and all other regulatory bodies of government.**

The Administrator recommended that Council use their discretion to grant approval in principle to this application.

**Correspondence:**

Item # 4:

**Department of Fisheries & Land Resources – Crown Land Application Referral**

The Planning Department is in receipt of a referral for an application for Crown Land at Civic # 89B Woodland Drive for the purpose of expanding a residential subdivision (proposed Chesley-Van Heights Stage VI). The area is zoned Residential Development Scheme Area (RDSA) & Agriculture (AG).

**The Committee recommends that Council correspond with the Department of Fisheries and Land Resources advising that the Town cannot recommend approval of the application for Crown Land at Civic # 89B Woodland Drive until such time that a Comprehensive Development Scheme for the area has been completed in accordance with the Town's Municipal Plan and Development Regulations 2014-2024, specifically Section 3.4.2 (Residential Development Scheme Areas and Schedule C: Residential Development Scheme Area.**

Item # 5:

**Baccalieu Horizon Residential Subdivision – Request to Amend Subdivision Agreement**

The Planning Department is in receipt of a request to amend the Public Open Space required to be conveyed to the Town so that the developer will retain the Lot # 7 (to be incorporated into an adjacent parcel(s) and instead convey additional land along the shoreline and an access to the shoreline.

**The Committee recommends that Council amend the Baccalieu Horizon Residential Subdivision Agreement to remove the requirement of the conveyance of “a ‘Tot Lot’ measuring 435.585 m<sup>2</sup>” and replace it by adding additional area to the required “strip of land (walking trail) running along the coastline” with a minimum width of 5 m of**

walkable area, and by providing access from West Point Road to the coastline area with a minimum width of 3 m.

**Discussion:**

Item # 8:

**Subdivision Design Standards (Maximum Length of Cul-de-Sac)**

The Committee recommends that Council complete an amendment to the Town's Development Regulations to allow for a maximum length of a cul-de-sac of 450 m in areas served by or planned to be served by municipal piped water and sewer services, with such conditions as recommended by the Town's Consultant Planner, to allow for maximum land use in fully serviced areas.

**Permits Issued:**

Subject: Thank you for your contribution

Dear Mr. Milley,

I wanted to take this opportunity to thank you for your generous contribution to FCM's Legal Defense Fund. With the voluntary support of members like the Town of Portugal Cove-St. Philip's, FCM can continue to advance the national legal interests of Canada's local governments.

Your donation supports FCM's legal efforts on a wide variety of issues that impact communities of all sizes. FCM has intervened in a number of precedent-setting cases under federal jurisdiction that are of national importance to our sector — such as rights-of-way management. The Fund is also used by FCM to obtain proactive legal opinions on emerging policy files that have implications for local governments.

Thank you once again for your contribution.

Sincerely,

Clark Somerville  
FCM President
