### Beachy Cove Trex Pathfinders/Rangers Complete their Duke of Edinburgh Bronze Award

*Pictured left to right: Kathryn Collier, Darlene Toope (leader), Sharon Hall (leader), Kaitlyn Hall, Shannon Jones, Abby Simms, Rebecca Collier and Sharlene Jones (leader)*

On September 10th and 11th, members of the Beachy Cove Trex Pathfinders/Rangers group completed their final requirement for their Duke of Edinburgh Bronze award by completing their Adventurous Journey to the Spout. The

girls hiked twenty-five kilometers in two days with twenty-five pounds on their backs and stayed overnight at Little Bald Head Campground. Congratulations girls on a job well done!

### Leary's Brook Eagles

It was another great weekend for the Leary's Brook Eagles! With a 2-1 win against Brother Rice, Leary's Brook Eagles won the NLESD Senior Boys Soccer Championship on Sunday, October 9th. They're the team to beat every year. This is the sixth year in a row that Leary's Brook Eagles has won a soccer championship. A special mention goes out to the leading scorer of the Tournament, Noah Johnson. Johnson, a resident of Portugal Cove-St. Philip's has 11 goals this season. Good job guys!

*"I don't let my disability prevent me from doing the things I do, and be the best I can be, but rather focus on my abilities."*

—Nathan Chaulk,  
Youth of the Year

## Nathan Chaulk

As a member of the Cerebral Palsy Association and the Easter Seals Newfoundland and Labrador, Nathan is very active in all kinds of events. This year, he joined the Mayor of the City of St. John's as the representative for the Cerebral Palsy Association to witness the proclamation signing for World Cerebral Palsy Day. His goal is to someday become the ambassador for Easter Seals.

An honour student at Leary's Brook Jr. High, Nathan is also an active equestrian with Rainbow Riders in Newfoundland and Labrador. He has been riding for more than 12 years and volunteers during the summer months as a stable hand. Nathan received the "People Chocolate Award" from Rainbow Riders for his hard work and dedication. In his spare time, Nathan volunteers at his school and plays Boccia.

Rebecca Tucker - Senior of the Year

## Rebecca Tucker

Rebecca has been a volunteer member of the Anglican Church Women with the St. Philip's Anglican Church for more than 15 years, serving as President for the past nine years. She has been a member of the church choir and with the vestry of the church for almost 6 years. Rebecca was the Grand Mistress of the Lady Orange Benevolent Association for two years, as well as Worthy Mistress for many years while the organization was running in St. Philip's. She is now the Worthy Mistress in St. John's and has been for the last ten years.

Rebecca has been involved with the Rainbow 50+ Club for a number of years as well as serving as a member of their executive. Rebecca dedicates much of her time to her church and her community.

Kyle Williams - Male Athlete of the Year

## Kyle Williams

Kyle began playing soccer with Portugal Cove – St. Philip's at a young age and continued through to U16. He has also played at the provincial level with the Newfoundland and Labrador Soccer Association (NLSA). In 2015, he proudly represented the province at the National U16 Soccer Tournament in British Columbia. Kyle is a well-rounded athlete, enjoying basketball for the last three years and this past May, he traveled with the Eastern Edge Club to represent the province at nationals for volleyball.

Kyle received the Gold Key Award at Leary's Brook Jr. High, and when he is not too busy studying or playing sports, he takes the time to give back to his community by coaching kid's soccer right here in Portugal Cove – St. Philip's.

If you know of a business, person or community group that should be featured under our Community Spotlight, please email [Jacqueline.clarke@pcsp.ca](mailto:Jacqueline.clarke@pcsp.ca) with the name and why they should be featured.

# SMOKE and CARBON MONOXIDE ALARMS

## SMOKE ALARMS

This year's Fire Prevention Week campaign slogan was, "Don't Wait – Check the Date! Replace Smoke Alarms Every 10 Years," to focus on the importance of maintenance and upkeep for smoke alarms in your home.

NFPA's survey data shows that the public has many misconceptions about smoke alarms, which may put them at increased risk in the event of a home fire. For example, only a small percentage of people know how old their smoke alarms are, or how often they need to be replaced.

Based on the survey data the fire prevention week slogan for this year address's smoke alarm replacement with a focus on these key messages:

- Smoke alarms should be replaced every 10 years.
- Make sure you know how old all the smoke alarms are in your home.
- To find out how old a smoke alarm is, look at the date of manufacture on the back of the alarm; the alarm should be replaced 10 years from that date.

The Portugal Cove - St. Philip's Fire Department wishes to stress to you the importance of regular operational checks of your smoke alarms and checking them to ensure they are not out of date. Smoke alarms are your first line of defense against a fire in your home and you need to know they are in good operating condition.

## CARBON MONOXIDE ALARMS

Do you use propane appliances for heating and cooking? Do you burn wood for home heat or fireplaces? Do you have an oil fired furnace or

other oil fired heating appliances? If so, be aware they produce carbon monoxide and the potential exists for an unknown release within your home, especially if the appliance venting is leaking or blocked, or malfunctioning. Newfoundland and Labrador has seen a number of persons become very sick and unfortunately deaths have occurred as a result of this silent killer.

Carbon Monoxide (CO) is a colorless, odorless gas that can cause accidental poisoning or even death if not quickly detected. A working Carbon Monoxide Alarm will sound when the gas reaches an elevated level, alerting you and your family to the danger.

Signs and symptoms of carbon monoxide poisoning may include:

- Dull headache.
- Weakness.
- Dizziness.
- Nausea or vomiting.
- Shortness of breath.
- Confusion.
- Blurred vision.
- Loss of consciousness.

The PCSP Fire Department encourages you to have all fuel burning appliances and heating systems inspected by qualified personnel regularly. Ensure that your carbon monoxide alarms are properly installed and working, and most importantly, be vigilant for the signs of carbon monoxide poisoning.

If you have any questions on your smoke alarms or carbon monoxide, please feel free to contact the PCSP Fire Department at 895-8000 ext 257.

## Don't Block Fire Hydrants

Residents are reminded not to block fire hydrants. Recently, the PCSPVFD could not readily access a fire hydrant during an emergency call. This situation slows the response time of your fire department which can have serious consequences during an emergency. As well, the Highway Traffic Act states:

**Article 144; (d): vehicles shall not park, within 1 metre from the point on the curb or edge of the roadway immediately opposite a fire hydrant;**

Further, **Article 149** of the Highway Traffic Act advises that where a vehicle interferes with firefighting, it may be

removed by order of authorized officials.

Your fire department asks that you please be respectful of where you park in those areas of our Town protected by fire hydrants. It may not be convenient to park a little further away, but it is more inconvenient to have your vehicle ticketed or towed.

Your fire department will make all reasonable efforts to avoid such an inconvenience for vehicle operators, but if a vehicle clearly is an impediment to the operational needs of the fire department in accessing the hydrant then appropriate steps must be taken.

Please respect the law and do not block hydrants.

**Don't Wait** **CHECK** the date!

## Winter Walking

Please be mindful during snowstorms and while snow removal operations are ongoing to consider wearing highly reflective clothing and walk on the roadside facing traffic. During heavy snowstorms more room is required to maneuver snow clearing equipment safely on our roadways and given that these large pieces of equipment can have blind spots, all things need to be considered for your safety and the safety of our Operators.

## Winter Parking Ban

Residents are reminded that during the period from November 1 in each year to the 30th day of April in the succeeding year, both days inclusive, no person shall park, leave or abandon any vehicle or any portion of any vehicle upon any Street Reservation within the Town between the hours of 12:00 midnight to and including 8:00 a.m. and at any time when there is a snowfall and for twelve hours after the snowfall has ceased.

## Snow Removal

Residents are also reminded that during the period from November 1 in each year to the 30th day of April in the succeeding year, both days inclusive, no person shall shovel, plow, blow or cause to be shoveled, plowed or blown any residue snow or ice from a driveway or parking lot unto any Street within the Town. Please call the Public Works office at 895-8000 x228 to report any issues or concerns.

## Snow Clearing Damage

The Town will not be responsible for:

- any damage caused within the Street Reservation, or at the very least, 20 feet from the road center line. This includes damage to fences, garbage boxes, trees, private mailboxes, etc.
- for damage caused by “weight of snow” or “lawn browning”.
- damage caused to trees on private property, all trees should be properly marked and protected i.e. painted poles (minimum height of four feet) alongside trees, to mark location.

All Claims for damage must be made in writing to the Town Office no later than May 15 of the same year, of the snow clearing period. Verbal claims will not be responded to. Claims received after this date, will not be considered.

## Fire Chiefs for the Day

*Myles Baker, FF Jordan Keating, Emily Thoms*

October 9th - 15th was Fire Prevention week across North America. The theme this year was, "Don't Wait Check the Date! Replace Smoke Detectors Every 10 Years," and was intended to heighten awareness around the age of smoke detectors in our homes. As part of Fire Prevention week the Volunteer Fire Department visited Beachy Cove Elementary to speak with kindergarten, grade 2 and grade 4 students and to conduct a fire drill with the whole school. As a special treat two students, Emily Thoms and Myles Baker, were selected at random to

become Honorary Fire Chiefs for the Day. The new Chiefs started their day on Friday October 14th being picked up in our fire engine for a special ride to school. Then at lunchtime the chiefs were taken out for lunch with the Fire Chief, Deputy Chief and several Fire Fighters. They even got the opportunity to water the plants at the Town Hall using the fire hose! The Department would like to give a big thank you to Beachy Cove Elementary for continuing to partner with us to deliver fire safety information to students for the past 20 years!

## Ursula Crescent & Jenny Lynn Drive Street Party

Started in 2007, the almost thirty families of Ursula Crescent and Jenny Lynn Drive wanted to put together a fun-filled day for everyone to play and more. So the first weekend after school starts they organized a Street Party. Starting with a bicycle parade lead by the PCSP Volunteer Fire Department, the day continues with a scavenger hunt, sack race, musical chairs, and all kinds of fantastic games and prizes too. Volunteers share their talents like the temporary tattoo artist who shares her very popular sparkle tattoos with the kids. After the games there is a huge BBQ for everyone to enjoy followed by an outdoor movie including popcorn and treats. The day is capped off with a bonfire with marshmallows, live music and a fireworks display. This is all the result of an amazing group of volunteers and the donations from the participating households. Congratulations to the Organizing Committee: Carolyn Jones, Colleen Jones Down, Charlotte Akerman, and Sheila Keats.

## SATURDAY NOV 5 GUY FAWKES BONFIRE

## COLLECTION CONTEST

The item pictured above is part of the Town's Artifact Collection. It has been donated by one of the members of the Heritage Committee.

## DO YOU KNOW WHAT IT IS CALLED? DO YOU KNOW WHAT IT IS USED FOR?

Lots of things can have different names depending on where you are from. We know what this was referred to in Portugal Cove-St. Philip's. Do you?

If you can name this item and tell me what it is used for, send me a quick email and you may win a prize!

## FAMILY HISTORY CLUB

Dates for the next meetings are:

Wednesday November 23rd 2016

Wednesday December 14th, 2016

Meetings take place at the Rainbow Gully Hut at 2:30 pm.

## ARTIFACTS AND ARCHIVES

Our collection is growing nicely. If you have anything to donate please contact Julie Pomeroy.

## NEW MEMBERS WELCOME

The Heritage Committee meets on the 3rd Thursday of the month. They support the Town's Heritage Programs and Services Coordinator as well as work on research and projects and advise Council on heritage issues when required plus more. There are currently spaces available on the Heritage Committee. If you would like to attend a meeting to see what we do and if it would be a good fit for you, let us know!

Contact Julie Pomeroy, Heritage Programs and Services Coordinator at Julie.pomeroy@pcsp.ca 895-8000 x 229

## A.C.E

Although ACE did not hold scheduled meetings over the summer, we did provide assistance to the student Green Team. The Green Team was hired by the Town to conduct a survey within the Beachy Cove stream system. Based upon those surveys spawning gravels were placed in different areas to enhance fish habitat. In addition, ACE are evaluating the Green Team Report to provide further recommendations to the Town with the goal of improving trout habitat. Ideas include enhancing overall water quality and devising a plan to remove fish migration barriers within the stream. ACE is also planning to have a public session on the results of this survey in the coming months.

As always, if anyone has an interest in environmental initiatives and would like to join ACE feel free to call: Julie Pomeroy, Heritage Programs and Services Coordinator 895-5657, Julie.Pomeroy@pcsp.ca.

## From the Mayor's Desk

*Mayor Moses Tucker and Deputy Mayor Gavin Will helping out at the Fall Family Festival*

What a beautiful fall this has been turning out to be! We just concluded our first ever Fall Family Festival, which was a great success and hopefully the beginning of an annual tradition to celebrate Autumn in this amazing community. Is there any better time to try pumpkin pie?

Autumn means budget season! The budget consultations portion of the budget process has just concluded and your participation is very much appreciated. Council is moving into the next stages of the process and would like to continue to encourage your ideas and suggestions through email, phone calls or on Facebook and Twitter using the #PCSPBudget17. This is your Town and this process is how we can shape our future together.

With the holidays approaching and the evenings getting darker, it is all of our jobs to continue to practice safe driving in our community. Keep an eye out for trick or treaters and holiday shoppers as they are out and about this time of year. We are a community and we must keep each other safe. Have a safe and Merry Christmas and on behalf of all members of your Town Council, wishing you and your family all the best in the New Year!

*Moses*
