Portugal Cove - St. Philips

Message from the Mayor

I am very pleased about the collaborative effort between the Town of Portugal Cove-St. Philip's and the PCSP Chamber of Commerce to create this new Business Directory. We're putting the effort into building the community up from within, with the goal of adding opportunity to our local business community. By highlighting the work of our local businesses in this directory, we hope to improve their visibility, increase brand awareness, and ultimately add value to the wonderful industries within our town.

For our residents, this directory aims to be a place to identify, learn about, and contact local businesses relevant to your needs. Whether you're seeking childcare, restaurants, construction services, personal care or something in between, there is a professional ready to serve your needs right here in Portugal Cove-St. Philip's. I hope that in using this Business Directory, you will become familiar with many new businesses within the Town and choose to shop local on your next endeavor.

It's not too late for those businesses who did not yet choose to be included in the 2018 Portugal Cove-St. Philip's Business Directory. We will be regularly updating and maintaining the online version of the directory as well as future printed copies. To be added to the directory, local business owners are encouraged to submit their information to Jeff Lawlor, our Directory of Economic Development, Marketing, and Communications, at jeff.lawlor@pcsp.ca

*Carol McDonald, Mayor
Town of Portugal Cove-St. Philip's*

Message from the President of the PCSP Chamber of Commerce

As the Town of Portugal Cove-St. Philip's continues to develop and grow, our business community has found its voice through the PCSP Chamber of Commerce. The first priority identified by the members of the Chamber coming out of our Strategic Plan was to build a Business Directory. The Chamber has worked in collaboration with our Town to prepare and present the new PCSP Business Directory. The new directory features over 70 businesses offering a wide range of products, services and employment opportunities to the public.

The PCSP Chamber of Commerce plans to build on this accomplishment in the future. Our second strategic objective is to develop a Tourism Destination Plan that will build a framework to help promote and build more small business opportunities for our members throughout the community.

As outlined in the PCSP Chamber of Commerce Mission Statement, the Chamber wants to represent our members to be the principal voice for business in our community on economic issues and matters of significant interest to business growth and sustainability in a responsible and ethical matter.

We would like to thank the Mayor and Council of PCSP for their support, and ongoing discussions in helping to promote and build our business community. I hope you will find the new directory a useful tool to help find, engage and support local businesses throughout Portugal Cove-St. Philip's.

Thank you.

*Michael Murray
President
Portugal Cove-St. Philip's Chamber of Commerce*
