## Information for your Clean Up Crew

Please choose a safe location in the community that you would like to tidy up. Use the bags provided for all the litter and refuse you find and remember to where the gloves too. Tie over the filled bags and leave them in a visible location for the Town to pick up. Be sure to let us know the location too.

### IMPORTANT SAFETY INFO:

- Make sure your clean up location is safe for these activities; stay off busy roadways and make sure vehicles can see you from a good distance
- Avoid steep drop offs and hazardous locations
- If there is any doubt if the spot is safe, don't stay, move on
- Please **DO NOT** pick up the following:
  - broken glass
  - needles or sharps
  - biohazards
  - if you find any of these items, notify Town Staff and we will dispose of them safely

If you have any questions at all, or for more information, contact:
