

2019–2020

BUSINESS DIRECTORY

Message from the Mayor

The Town of Portugal Cove-St. Philip's and the PCSP Chamber of Commerce have proudly worked together to bring you this second edition of the PCSP Business Directory. Building on the success of the release of the 2018 directory, we are delighted to bring you a new edition with more business listings, additional content, and lots of opportunities to discover local products and services!

Each year as our town continues to grow and prosper, it is wonderful to see our local business community flourish. The addition of successful new businesses in Portugal Cove-St. Philip's brings our residents opportunities for both local shopping and valuable employment. As your Town Council, we are excited to support the Tourism Destination Development Plan as a partner of the PCSP Chamber of Commerce. We hope to see new opportunities for tourism-focused business development arise from this collaborative plan.

As we continually work to address the changing needs of the community and hear the voices of our residents, this year we are conducting a review of our Municipal Plan and Development Regulations 2014-2024. We are seeking preliminary input from residents on this plan in order to guide the future physical growth and development of the community. I encourage everyone in Portugal Cove-St. Philip's to share your thoughts on this matter with us. Email planning@pcsp.ca to have your say, or learn more online at www.pcsp.ca/town-plan-review

Sincerely,

*Carol McDonald, Mayor
Town of Portugal Cove-St. Philip's*

Message from the President of the PCSP Chamber of Commerce

As the Town of Portugal Cove-St. Philip's continues to develop and grow, our business community has found its voice through the PCSP Chamber of Commerce. As outlined in the PCSP Chamber of Commerce Mission Statement, the Chamber wants to represent our members as the principle voice for business in our community on economic issues and matters of significant interest to business growth and sustainability in a responsible and ethical matter.

The first priority identified by the members of the Chamber coming out of our Strategic Plan was to build a Business Directory, which we proudly released in 2018. The Chamber is pleased to work in collaboration with our Town to prepare and present this new second edition of the PCSP Business Directory. This new directory features over 80 businesses offering a wide range of products, services and employment opportunities to the public.

The PCSP Chamber of Commerce plans to build on this accomplishment. Our second strategic objective is to develop a Tourism Destination Development Plan that will build a framework to help promote and build more small business opportunities for our members throughout the community. I'm pleased to report that we now have the first phase of our community-based Tourism Plan in hand. We are now establishing a joint working group made up of Chamber members, Council, community advisory board members, and Town staff.

I hope the you will find the new directory a useful tool to help find, engage and support local businesses throughout Portugal Cove-St. Philip's. We want to thank Mayor Carol McDonald and the Councilors of PCSP for their support and ongoing discussions in helping to promote and build our business community. We also appreciate support from residents for the Business Directory and hope we can continue to build more opportunities for both business and community development together for our town.

Thank you,

*Michael Murray, President
Portugal Cove-St. Philip's Chamber of Commerce*
