CELEBRATING TWO OUTSTANDING WOMEN OF DISTINCTION

Congratulations to PCSP resident, Kimberly Churchill, and Town Staff member, Julie Pomeroy, on their recent nominations for the YWCA 2020 Women of Distinction Awards.

Kimberly is a mother, teacher, advocate, non-profit leader, and mentor to many young girls. She has a rich history of volunteerism, community engagement, and motivational speaking, including delivering a talk at TEDxStJohns 2018 titled, "The Forgotten Language: The Transformative Power of Signing." To help bring about proactive change, Kimberly started a non-profit organization called Children's Language Acquisition Support System Inc. (CLASS) in 2018. Within CLASS, she developed a program called "Gain a Super Power" to introduce American Sign Language (ASL) to hearing children to help bridge the communication gap between them and any deaf schoolmates and to help remove the language barriers that create social isolation of deaf children in schools. This fantastic program runs weekly at our local Beachy Cove Elementary School.

Julie is a community-oriented leader and champion for heritage and environment in NL. Through her volunteerism and her role as Heritage Programs and Services Coordinator for the Town of Portugal Cove-St. Philip's, Julie shares her passion for linking heritage and environment in all she does. Many people in PCSP know Julie through her leading of the Town's Family History Club, the Environment Fair, and through her role as the staff liaison for the Town's Heritage Committee and our Advisory Committee on the Environment (ACE). Julie's passion for community heritage extends from her work life to her volunteerism as well. She has served as chair-person of the Logy Bay-Middle Cove-Outer Cove Museum since 2015 and as Treasurer of the Museum Association of Newfoundland and Labrador from 2017-2019. She has devoted herself to preserving the environment, heritage and history of the province and place she and her family call home.

SPELLING BEE CHAMPIONS!

The annual Spelling Bees at Brookside Intermediate and Beachy Cove Elementary were very exciting this year! So many fantastic spellers made for a tough competition at Brookside with the Swain sisters named the top two winners. These young ladies will now head to the Telegram Spelling Bee in the spring and face off in the finals. We wish you all kinds of luck, girls!

Our younger spellers also had a fantastic competition at the Beachy Cove Spelling Bee. All of the spellers were excellent and the support from their friends and classmates was wonderful to see! Congratulations to the winner, Rachel Bursey, and the runner-up, Jakob Pittman, who will both go on to represent the school at the finals.

CHAMBER OF COMMERCE WORKS TO SUPPORT AGRICULTURE INDUSTRY IN OUR COMMUNITY

PHOTO L-R: Robert T. Stapleton (Vice President, Chamber of Commerce), Minister Gerry Byrne, Michael Murray (President, Chamber of Commerce), and Cyril Hayden (Chamber of Commerce)

In December, several of the members of the PCSP Chamber of Commerce met with Minister Gerry Byrne, who is the Minister of Fisheries and Land Resources. The new Department of Fisheries and Land Resources unites all aspects of support provided to renewable resource industries, and better positions the Provincial Government to support economic development and growth in these areas.

The Chamber met with Minister Byrne to discuss ways the provincial government can support the agriculture industry in our community. Robert Stapleton, Vice President of the PCSP Chamber of Commerce stated, "It was a very good meeting with high expectations of positive action."

The Chamber of Commerce encourages all businesses and business owners in our community to get in touch and become a member. The Chamber can be reached by email at chamberpcsp@gmail.com or further details can be found on the Chamber's Facebook page at: www.facebook.com/chamberpcsp

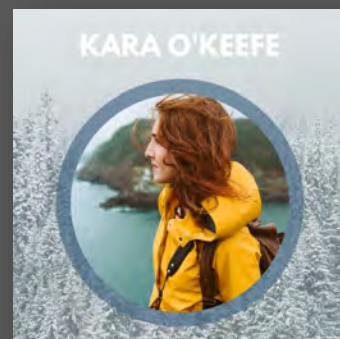

LOCAL ARTISTS FEATURED IN WINTRY EXHIBIT

3

Two artists with ties to Portugal Cove-St. Philip's were recently featured in the Admiralty House Communications Museum and Association for the Arts in Mount Pearl's (AAMP) "Wintry ReMix" - an art exhibition that celebrates the beauty of the chilly season with winter-inspired creativity. This one of a kind art exhibition includes everything from watercolors to fibre arts to warm, cozy quilts from artists all over the province.

Kara O'Keefe, a full-time pharmacist, part-time photographer is a resident of PCSP. Her unique style of photography is a creative medium by which she presents her province and her surroundings. Kara's work can be found here:

<http://karaokeefe.artfunnels.com/>

Heather Coughlan is a member of Town staff. Heather is a talented painter who works primarily with acrylics and enjoys exploring light and color in her portraits and more, as evident in her featured piece "Barn Cat". Heather's art can be found here:

CYRIL HAYDEN RECEIVES PROVINCIAL CERTIFICATE OF APPRECIATION

PCSP resident Cyril Hayden was recently awarded a special "Certificate of Appreciation" from the provincial government for

his more than 20 years of dedication as the chair of the School Lunch Association. Cyril is an avid member of the PCSP Chamber of Commerce and an active volunteer. Congratulations on your certificate and we thank you for all your contributions to our community!

WINTER PLAY DATE

With schools still closed several days after the big winter storm in January we invited families in PCSP to a community play date at Rainbow Gully Park and Voisey's Brook Park to get outside and enjoy the snow together!

Everyone had a great time sliding, drinking delicious hot chocolate, and making snow sculptures.

Thanks to everyone who joined us for this fun winter event, it was a blast!

INSPIRED YOUTH TO COMPETE IN U16 TOURNAMENTS

Team Perry consists of three youth from PCSP and one from Torbay. The team curls out of the ReMax Centre in St. John's. These young athletes were inspired to try curling at a young age by BCE teacher Paula Courage and are now competing in two U16 Tournaments in St. John's and Gander.

Photo L-R: Mayor McDonald, Evan Scott, Carter Holden, Nicholas Codner, Simon Perry, and Councillor Madonna Stewart-Sharpe

Thanks to all the students and staff at Beachy Cove Elementary for another successful food drive for the Community Food Sharing Association. After seeing all the need for food following the big winter storm in January, the school wanted to help refill the local food bank for those in need. We are so proud to see such strong community spirit and generosity in our town, especially from our young students!

HERITAGE COMMITTEE CORNER:

FAMILY HISTORY CLUB

The Family History Club meets on the second Tuesday of every month from 10:00am to 12:00pm in the PCSP Library. We enjoy discussing family trees and conducting research using the Town Archive materials. The Library also has Ancestry Library Edition which is accessible to everyone on both the Library computers. Join us!

The next FHC meetings are March 10th & April 14th.

The PCSP Heritage Committee is working closely with St. Lawrence Church to conduct research on the St. Bartholomew's Cemetery. Located behind the old church on Anglican Church Road, it is full of history. If you have any stories or information around the history of this site and/or the surrounding area, please share with us. Jane and Kevin Aucoin
started the Community Garden in 2014. Jane brought
the idea to the Council who supported her efforts and since
then, it has grown and blossomed into 20 raised garden beds,
one of which is built higher for easier accessibility, 2 compost
bins, water supply tubs, a garden shed with supplies for all
gardeners, and fencing to of course keep the moose out. Jane
also worked with Town staff on a very successful seedling
planting day with the Kindergarteners at Beachy Cove
Elementary. We would like to sincerely thank Jane and Kevin
for their hard work and dedication in bringing the Community
Garden to life and guiding it to the thriving success it is today.

A MESSAGE FROM THE MAYOR

Thank You to Snow Plow Operators & Emergency Rescue Crews in PCSP

We would like to extend our gratitude and a sincere thank you to the snow plow operators and emergency rescue crews, including Portugal Cove – St. Philip's Volunteer Fire Department, who worked tirelessly in Portugal Cove-St. Philip's following the intense winter storm in January. Our crews left the safety of their homes, families, and loved ones to brave the storms and ensure the safety of all our residents – and for that we are extremely grateful.

From safely clearing roadways, to keeping fire hydrants free of snow, to escorting emergency vehicles for health emergencies during the storm, our hardworking crews persevered round the clock through all the record-breaking weather we faced. The dedication these folks show is second to none!

We certainly appreciate the support and positive thoughts that were expressed to all our crews from residents as well. All of the kind and supportive messages have been shared with the team. Thank you. *Carol*

ICE SAFETY AWARENESS

No ice is 100% safe. Many factors affect ice thickness and they can be unpredictable and undetectable. Always check with local authorities before heading out. Ice conditions can change quickly. Avoid going out on the ice at night and always have someone with you. Warn children about the dangers of thin ice.

Remember these guidelines are for new clear ice only.

CHEVROLET GOOD DEEDS CUP SEMI-FINALISTS

A hockey team from our region, the Northeast Eagles Peewee C All Stars, were selected as a semi-finalist in the Chevrolet Good Deeds Cup competition. Four of the players on the team are from right here in our community, Portugal Cove-St. Philip's! So far, the team has raised \$21,500 for Rainbow Riders, a charity which provides opportunities for therapeutic horseback riding to children with physical, cognitive or emotional disabilities. As a semi-finalist in the competition, the team has a chance to bring home an additional \$100,000 for their charity.

Further details can be found online at:
