## "TEACHER OF THE YEAR"

In September, Mr. Laun Shoemaker was awarded the Canadian Parents for French-NL's "Teacher of the Year" - a prestigious honor that is awarded annually to a teacher for excellence in French education, leadership, community involvement, and with other outstanding achievements.

Beachy Cove Elementary Principal, Mr. Aubrey Dawe, attended a special ceremony at Government House that was presided over by Her Honour, Lieutenant Governor Judy Foote, and hosted by Canadian Parents for French, Newfoundland & Labrador (CPF-NL), where Mr. Shoemaker was given his award. Principal Dawe explained, "Mr. Shoemaker is part of our Early French Immersion team and has been for a number of years. I could not help but beam with pride as his dossier was read aloud at the ceremony, all the while feeling incredibly thankful that he is part of our school community. Our school is a better place because of Mr. Shoemaker and his good work and this recognition by CPF-NL is certainly well deserved."

We are lucky to have such exceptional teachers right here in our town! Congratulations, Mr. Shoemaker and thanks for all you do.

## INSPIRATION MAKER

Congratulations to Brookside Intermediate's Mr. Sam Paterson, who has been chosen as Newfoundland and Labrador's "Inspiration Maker" through the Atlantic Canadian experiential learning platform, Brilliant Labs. Teachers are chosen as "Inspiration Makers" for inspiring others to be their best and for taking chances to try new things to educate students.

While schools were closed during spring 2020 due to Covid-19, Mr. Paterson created unique virtual learning opportunities for his students, including sustainable development goal activities in the Brilliant Labs Minecraft server, #MakerFun challenges, and thought exchanges on a wide variety of topics.

Way to go, Mr. Paterson, you are an inspiration to students, educators, and parents alike! Awesome job!

## HUNTER GETS HIS WISH!

Hunter Somerton, a young PCSP resident, was recently granted a wish by the Make-A-Wish Foundation NL. Hunter is four years old and he has been diagnosed with A.L.L (acute lymphoblastic leukemia). Hunter's wish will be a trip to Florida to visit the theme parks with his family and we want to wish him all the best and hope he has the most awesome holiday ever!

A huge thank you to the Harley Owners Group who enjoy riding through our community, and who upon hearing of Hunter's story got together to raise \$10,000 to help grant Hunter's wish!

Hunter, his two brothers Jaxson and Tyson, and his mom Kaitlyn and dad Clinton are pictured above. Hunter lives life to the fullest and enjoys riding his bike, swimming, and of course video games! He likes wrestling with his brothers and wants to be a superhero when he grows up! His favourite foods are fries and gravy, and Mars bars.

## EQUESTRIAN AMBASSADOR

*Congratulations to PCSP resident, Nathan Chaulk, for receiving the Award of Equestrian Ambassador from the*

*Newfoundland and Labrador Equestrian Association.*

*Nathan truly loves everything about horses. He is passionate about riding and continues to encourage others to take up the amazing sport of Para-Dressage. Way to go, Nathan!*

## Fire Safety During Winter Storms

Winter storms are a regular part of the season in this province. Being prepared before, during and after the storm can make a big difference and help keep you and your family safe.

- Test your smoke alarms at least once a month and install carbon monoxide alarms.
- Plan two ways out of the house in case of emergency and keep the exits and driveway clear of ice and snow.
- Make sure your house number is easily seen from the roadway.
- Be ready for power outages and use extreme caution if you use candles.
- Be aware of winter weather and watch for bulletins.
- Check on your neighbors and others who may need help.
- Generators should be used outdoors and away from windows and doors. Never run a generator in your garage.
- Stay away from downed wires and report them to authorities asap.
- Be ready for loss of heat, and if you use an emergency heat source, keep flammable items at least 1 meter away.
- Never leave a portable heater running when you are not in the room. Turn them off when you go to bed.
- Keep chimneys clean and free of debris like creosote, nests, snow and ice. Have your chimney cleaned and inspected at least once a year.

### IMPORTANT REMINDER:

There are more home fires in winter than in any other season. Half of all home heating fires happen in December, January and February.

As you stay cozy and warm this winter season, be fire smart!

# FALL FAMILY FESTIVAL

Thanks so much to everyone who participated in our Fall Family Festival Week from October 18<sup>th</sup> to 24<sup>th</sup>! We had so much fun and were absolutely delighted to see so many people joining in our virtual contests and events throughout the week.

Congratulations to everyone who found our hidden rocks in the "Haunted Hunting" contest, and to our Pumpkin Carving and "Booo"ks are Fun contest winners too. We hope everyone had a very Happy Halloween!

## LOCAL CURLING TEAM HEADED TO NATIONALS

Sending good luck to Team Locke, as they get their long-awaited chance at curling in the Under-18 Nationals Tournament. A special shout out to PCSP resident Sitaye Penney, who is a member of Team Locke!

Unfortunately the 2020 Canadian U18 championships were cancelled due to Covid-19, just days after the Newfoundland and Labrador provincial championships were decided. However, in February 2021, NL's Under-18 Junior Women's Champions (Team Locke) will have the opportunity to compete at the 2021 Nationals from February 7th to 13th in Timmins, Ontario. We wish the team all the best as they represent our province in the tournament!

## SHOUT OUT TO OUR SENIORS!

Each year on October 1<sup>st</sup>, it's National Seniors Day! While we couldn't have our usual National Seniors Day celebrations and party this year, we can still show our seniors how much we care all throughout the year. Take time to call or video chat, write a card or letter, or send a special message to seniors in your community. This could be a family member, someone on your street, or in your school.

The Town of Portugal Cove – St. Philip's is proud of seniors in our town and the lasting impact they have had on where we are today.

## ADVISORY COMMITTEE ON THE ENVIRONMENT

### NON-MEDICAL MASKS AND FACE COVERINGS

Non-medical masks are now mandatory in all public buildings in Newfoundland and Labrador. For the sake of the environment, reusable fabric masks are a better option than disposable. If you are using disposable masks, please dispose of them in a properly lined garbage container. There has been a huge increase in personal protective wear litter around our community, and while the risk is low, it still puts community members at risk of exposure.

Here are some guidelines from the Government of Canada on cleaning your reusable fabric mask:

- Use the hot cycle on your washing machine and dry thoroughly.
- Wash thoroughly by hand if a washing machine is not available, using soap and hot water, and allow to dry completely before wearing.

It is important to remember the following when using non-medical masks and face coverings:

- Masks with an exhalation valve do not protect others.
- Never share your non-medical mask or face covering with someone else.
- Do not handle a non-medical mask or face covering belonging to someone else.
- Do not allow other people to handle or touch your non-medical mask or face covering.

The Portugal Cove - St. Philip's Chamber of Commerce would like to introduce our Executive Director, Tara Lehman. Tara is an entrepreneur with an extensive event consulting and customer service background both locally and nationally. Tara attributes much of her success to the benefits of belonging to local business organizations. We believe her insight into what business owners are looking for alongside her ability to deliver high quality networking and learning opportunities, will help members enjoy and benefit from what our Chamber offers. Tara is excited to help raise our community voice, and members can look forward to hearing from her in the coming days!

The PCSP Chamber of Commerce was happy to host the launch of the PCSP Arts Association on

Friday, November 20th, 2020. Congratulations to all on their efforts to make this event so successful and thank you to the Grounds Café at Murray's for the use of your beautiful venue. We look forward to working collaboratively in the future and encourage everyone in our arts community to join this group, as it offers multiple opportunities.

## REMEMBRANCE DAY CEREMONY AT THE WAR MEMORIAL

Due to the world-wide COVID-19 pandemic, the Remembrance Day ceremony we had wanted to organize simply could not happen. However, a virtual ceremony and wreath laying held on November 11<sup>th</sup> to honour all those who gave the ultimate sacrifice for our freedoms.

Thank you to everyone who viewed the event online.

Lest we forget.

As we all know, 2020 was difficult year for everyone and I am so proud of the way our community handled the challenges we've faced. Thank you for following the guidelines set out by Dr. Haggie and Dr. Fitzgerald. It is inspiring to think that our province is the envy of the world in terms of covid-19 management, and I hope we can continue to keep cases low and keep everyone healthy in the 2021 year.

*Carol*

## FLU SHOT SEASON
