

March 22, 2021

Ref: Tender, PCSP-PW-2021-02 Road Sweeper Attachment

Addendum # 1,

The weight specification denoted in "g" is 2,200 lbs or less.

Note: that a heavier sweeper would be fine as long as it matches the Loader specified.

Clarification #1

Please note we confirmed the tender wants a 32 inch diameter bristle.
