LIAM DROVER-MATTINEN WINS NATIONAL TENNIS CHAMPIONSHIP

In September, a young athlete from Portugal Cove-St. Philip's was recognized as the best tennis player in Canada at his age. Portugal Cove-St. Philip's resident Liam Drover-Mattinen took home the top prize at the Boys Under 16 National Singles Tennis Championship in Milton, Ontario.

Coming into the tournament, Drover-Mattinen was unseeded, but knocked off the number two and five seeds on his way towards the finals, where he faced the top-seeded player. He did not drop a single set all tournament. This is just the second time a player has ever achieved this from our province, and only the third time ever for an Atlantic Canadian tennis player. Way to go, Liam!

NEIGHBOURS ASSISTING NEIGHBOURS (NAN)

As long time residents of Portugal Cove - St. Philip's, Kurt Murley, a member of our Town's Volunteer Fire Department, and his mother, Donalda Murley, have seen an increasing need for non-perishable items and supplies for our local food bank.

Each year more and more families depend on this community service and with the onset of Covid-19 the need is even greater. The Murleys state, "Our goal is to help provide the local food banks that serve our community with enough food to ensure no one goes hungry. We have created Neighbours Assisting Neighbours (NAN) as a way for our community to bond together through donations of non-perishables, toiletries or monetary donations. After all NAN Never Lets Anyone Go Hungry!" The next NAN Food Drives take place:

- Saturday, November 6th from 3pm to 4pm
- Sunday, November 28th from 11am to 12pm
- Sunday, December 19th from 12pm to 2pm

Please note the drop off location for all dates is Breakwater Pharmacy at 1604 Portugal Cove Road

STELLA-R SUPPORT FOR MENTAL HEALTH

The PCSP Town Hall was so very happy to welcome RNC Support Dog Stella and her handler Cst. Krista Fagan. Stella provides mental health support and care for officers and victims of violence as well as helping to calm victims and witnesses during court proceedings. Support Dog programs like Stella's provide a level of care beyond compare. Thank you so much Stella and Cst. Fagan for all you do for our community and our province.

PREMIER'S ATHLETIC AWARDS

Congratulations to all recipients of the Premier's Athletic Awards! Over 150 of the province's top athletes were recognized on Monday, October 4th, 2021 by the Honourable Dr. Andrew Furey, Premier of Newfoundland and Labrador, at the 17th annual Premier's Athletic Awards in St. John's.

The awards program recognizes athletic excellence and provides financial support to help offset the costs of training and competition. Grants ranging from \$500 to \$1,500 are awarded based on the level of competition and the athletes' respective accomplishments.

Special shout out to PCSP resident recipients: Darcy Byrne (Rowing), Aiden Drover-Mattinen (Tennis), Liam Drover-Mattinen (Tennis), Taj Exley (Soccer), Kaitlyn Hall (Rowing), and Ben Krilow (Athletics).

CROSS COUNTRY RUNNERS

Big congratulations to all the cross country runners from Brookside Intermediate! A special shout out to Freya and Claire, who took the top two podium spots in the grade 5 race and Ben who took 3rd place in the grade 9 race.

ERROL'S ADVENTURES CONTINUE...

The third book in local author Sheilah Lukins' series about a heroic and feisty mouse named Errol is called "Once Upon an Iceberg: Errol's Twillingate Adventure".

And that's not the only adventure Errol has been on lately! The author also took him on a series of staycations throughout the province and by the looks of things, Errol thoroughly enjoyed every minute.

WINTER PARKING BAN

- Residents are reminded that during the period from **November 1st to April 30th**, both days inclusive, no person shall park, leave, or abandon any vehicle or any portion of any vehicle upon any Street Reservation within the Town **between the hours of 12:00 midnight to and including 8:00am**; and at any time when there is a snowfall and for 12 hours after the snowfall has ceased.
- Vehicles left on the roadway may be subject to a ticket or be impounded at the owner's expense.

SNOW CLEARING REMINDERS

- Residents are reminded not to throw, blow, plow or place snow in the road – this is against the law.
The Town's job is to keep roadways clear and accessible – please support us in this endeavour.
- If possible, we ask that residents use reflective markers on their property boundaries to help prevent damage during snow clearing operations.
- Please remember your neighbours who may not be able to clear access to their property and check on them from time to time.

HOLIDAY WASTE DISPOSAL NOTICES

- Please ensure your garbage boxes or bins are cleared of snow, salt the area, and there is a clear access to the box.
- We encourage residents to use snow stakes, markers, or plow stakes to mark your garbage boxes. These simple visual aids are a great way to assist our snow plow operators and protect your property and garbage boxes during our snowy winter season.
- If you are placing your garbage or recycling bags curbside, please remember to net/secure your bags during the winter season so they do not blow away.
- Gift wrap (excluding the cardboard roll it comes on), tissue paper, and gift bags are not recyclable. Please place these items in your regular garbage bags for disposal.

The 2022 Waste Collection Schedule will be coming to your mailbox in December.

The Town of Portugal Cove-St. Philip's Department of Public Works wishes all residents a wonderful holiday season and a very Merry Christmas!

ZERO WASTE PROJECT

The Town of Portugal Cove – St. Philip's is excited to announce a new project in collaboration with College of the North Atlantic and Planeet Consulting. This new project entitled "Building Strong, Healthy, and Resilient Municipalities through Zero Waste and Circularity" will focus on identifying and expanding "Circular Services" in PCSP. A circular service refers to any "R" type service such as Repair, Reuse, Refill, Recycling, Return and Rot (Composting) that helps prevent and reduce waste, connects people and moves PCSP towards circularity.

Circularity will help PCSP keep materials in use for as long as possible, reduce pollution, waste, associated costs and create new business opportunities that support skill development, jobs, and connections.

Circularity also helps contribute to PCSP's climate action initiatives. When materials are kept in use for as long as possible, there is significant reduction in the greenhouse gas emissions associated with the extraction, production, transportation, and disposal of new things.

PCSP is excited to begin this project with CNA and Planeet and we hope to have significant input from members of the community.

WE WANT TO HEAR FROM YOU!

If you know of or have used any of these "R" services or are involved in any way as an individual (at home or workplace), school, business, or community organization in PCSP, please email Alexander at alexander.templeman@pcsp.ca or Viviana at viviana@planeet.consulting.com

If you're a senior citizen, we want to learn/hear how you reduced waste in the past and today. Your experiences will help us work on/design/plan a more sustainable future for PCSP.

There will also be a survey to collect PCSP community members' experience with and perceptions about Circular ("R") Services. Community members will also have the opportunity to get together, discuss the results and plan the Circular future of PCSP!

More updates on this project including opportunities for community input will be posted on our website and social media. We thank you for the support of this project and look forward to hearing from you soon.

COMMUNITY COMPOSTING

The Town is excited to announce the next stage in our community composting project with the upcoming installation of a large capacity tumbling style composter in Voisey's Brook Park. This composter will provide a way for Town residents, businesses and employees to responsibly dispose of their organic waste, and provide useful compost for local agricultural projects. This project will not only reduce the amount of waste sent to landfills, saving money on tipping fees, but also reduce harmful emissions, as composting is a highly effective way to eliminate greenhouse gasses usually associated with waste disposal.

This composter is part of the Town's ongoing composting initiatives which will include more large scale composters being installed in the Town as well as the continued annual sale of small scale composters to residents. These projects support PCSP's larger environmental initiatives including our greenhouse gas reduction targets and our waste reduction projects.

The composter will be monitored and maintained by the Town and we encourage local residents to dispose of suitable organic waste using this composter once it is operational. Details on installation date as well as tips for composting will be posted to our social media accounts.

Thank you for your continued support of our environmental initiatives and keeping PCSP clean and safe for everyone!

The Heritage Committee would like to support the growing interest in keeping traditional skills alive in our community. Whether it was part of daily life or a hobby or a pasttime, many of these skills are at risk of dying out. Let's help each other get back to basics and at the same time enjoy learning traditions! The benefits to yourself, your family and the environment are endless.

What skills would you like to learn? How about a traditional repair workshop or flea market? Tell us your ideas.

HERITAGE WALKING TOURS

The Heritage Committee is planning two traditional community zone walking tours- one on the Portugal Cove side of town and one on the St. Philip's side of town. We are looking for significant points of interest, stories and more to highlight during the St. Philip's traditional zone tour. Please contact our Heritage and Environment Coordinator: Julie Pomeroy Sparrow at 895-5657 or email julie.pomeroy@pcsp.ca

There is something about the winter months and curling up with a good book by the fireplace. But did you know that heating equipment is one of the leading causes of home fire deaths? With a few simple safety tips and precautions you can prevent most heating fires from happening.

BE WARM AND SAFE THIS WINTER!

- Keep anything that can burn at least three-feet (one metre) away from heating equipment, like the furnace, fireplace, wood stove, or portable space heater.
- Have a three-foot (one metre) "kid-free zone" around open fires and space heaters.
- Never use your oven to heat your home.
- Have a qualified professional install stationary space heating equipment, water heaters or central heating equipment according to the local codes and manufacturer's instructions.
- Have heating equipment and chimneys cleaned and inspected every year by a qualified professional.
- Remember to turn portable heaters off when leaving the room or going to bed.
- Always use the right kind of fuel, specified by the manufacturer, for fuel burning space heaters.
- Make sure the fireplace has a sturdy screen to stop sparks from flying into the room. Ashes should be cool before putting them in a metal container. Keep the container a safe distance away from your home.
- Test smoke alarms at least once a month.

Heating Equipment Smarts

Install wood burning stoves following manufacturer's instructions or have a professional do the installation. All fuel-burning equipment should be vented to the outside to avoid carbon monoxide (CO) poisoning.

Install and maintain CO alarms to avoid the risk of CO poisoning. If you **smell** gas in your gas heater, do not light the appliance. Leave the home immediately and call your local fire department or gas company.

FACT

Half of home heating fires are reported during the months of **December, January, and February.**

SIGN UP FOR Safety

Having an easily identifiable home number sign helps emergency responders when they need to find a home quickly. Clearly number your home — you could save a life!

We thank all those who put themselves forward for this election!

Other nominees include: Johnny Hanlon, who received 811 votes in his campaign for mayor and Jeff Laham (1048 votes), Paul Duffett (801 votes), and Moses Tucker (764 votes) who ran for council.

A Message from the Mayor

I would like to begin by thanking all those who voted in the 2021 Municipal Election and all those who put their name forward to run for Council. I am delighted and proud to have been elected to return for another term as your mayor, and I promise to continue to work hard for the people of our community. Thank you for continuing to place your trust in me. I look forward to working with this new Council, all of whom are eager to get to work and make a difference in our wonderful community.

As your new council, we are seeking input from residents, businesses, stakeholders, community groups and all those who wish to have a say in our Town's 2022 budget. Do you have ideas to share for things you'd like to see in our town? What do you think we're doing well, and what do you think could be improved? Please share your insight so we can work together to build a collaborative budget that works for everyone. We look forward to hearing from you. Public engagement will be a top priority of this Council and we have much to work on together. It all starts here with the 2022 Budget.

As the holiday season is upon us, I wish everyone in Portugal Cove-St. Philip's a very Merry Christmas, Happy Holidays, and a Happy New Year! We have some amazing plans scheduled for this year's celebrations and it is very exciting that we will be able to again gather together during the holiday season.

Here's to a wonderful year ahead in 2022.

Carol
