ENVIRONMENTAL SIGN CONTEST WINNERS

In fall 2024, the 'Design a Greener Tomorrow' poster contest was launched for students who attend Beachy Cove Elementary and Brookside Intermediate. The contest challenged students to design a poster telling our community about environmental effects of litter, climate change, and the importance of the natural environment around us. The winning submissions were selected to be made into large signs and installed around our community with the winners receiving a framed print, gift card, and a photo opportunity with the mayor when their sign is installed. We received many beautiful submissions, and we have many youth leaders looking to make their community a greener place to live!

★ **Roxi Lahey** ★ **Autumn Penney**
★ **Ella Vokey** ★ **Lela Halliday**
★ **Ben Vokey** ★ **Ella Morgan**

Head to PAGE 4 to see the posters! ➡

The winners will have their artwork transformed into a sign in the Spring, all in part to our Environmental Awareness Champions who are sponsoring the fabrication of these signs.

- Killick Coast Chamber of Commerce
- Murrays Garden Center
- Rock Construction
- Karen's Woodworking
- Krista Trask Real Estate

Stay tuned to our social media and website in the Spring when we unveil where the signs will be located. Congratulations to all the winners, and thank you to our sponsors!

Get Ready for the 2025 Municipal General Election on October 2, 2025

Update your calendars! The General Municipal Election for Portugal Cove-St. Philip's has been rescheduled to October 2, 2025, ensuring it does not conflict with the National Day for Truth and Reconciliation. This change, made by the Provincial Government for all communities in Newfoundland and Labrador, allows residents to participate in both important events.

This election is your chance to shape the future of our town. Whether you've been here for decades or are new to the area, your vote helps select the leaders who will guide us in areas like local services, sustainable development, and community-building.

Have a vision for our community? Consider running for office! Becoming a candidate

is a powerful way to turn ideas into action. Information sessions will be held to help you understand the role of a councillor, so stay tuned for details.

We're also looking for dedicated individuals to join the election team. Supporting the process as election staff is a great way to contribute to this important event. If interested, reach out to us at elections@pcsp.ca.

Learn more about the election process, candidate qualifications, and how you can get involved at pcsp.ca/local-government/elections.

Let's work together to shape a brighter future for Portugal Cove-St. Philip's!

LOST AND FOUND SUCCESS

Submitted by Ross Tucker

On November 9th, my grandson Aidan lost his puppy. He only had the dog 24 hours when he escaped through the patio door because he was new to us and in strange surroundings. He ran into the woods between Tolt Road and Skinners Road. When he didn't return after a few hours, we posted it on social media.

The response we got was unbelievable. I am sure everyone on Skinner's Road turned out to look for our dog. All of our neighbours on Tolt Road turned out to help. People on the road stopped and told me to feel free to walk through their backyards and look. People were on the road before daylight searching for Deery.

It would be impossible to name all the people who helped in the search for Deery, but they will not be forgotten. One family I feel deserves special recognition, Chase, his sister Brook and their parents (the Bartlett's). They searched with me through the thick woods, backyards and called whenever Deery was spotted. Chase made a flyer describing Deery with a reward to the one who found him, bragging rights. These are two fine kids, they will go far in life – their parents should be very proud of them. You guys deserve the "bragging rights".

Derry returned home on November 13th, no worse for the wear after spending five days lost. Aidan is once again a very happy 7-year-old boy with his dog!

PCSP LIONS CLUB: Spreading Kindness Locally and Globally

The Portugal Cove-St. Philip's (PCSP) Lions Club has been making waves both at home and around the world with a series of community-focused initiatives and international outreach efforts.

This fall, the Lions brought joy to local families through their participation in the Halloween Trunk or Treat and the Christmas Tree Lighting, where they handed out treats and spread festive cheer. The club also embraced the giving spirit through a clothing drive for VOCM Coats for Kids and the Association for New Canadians via the Tree of Warm Wishes, ensuring that children and newcomers to the community have warm clothing for the winter season.

Partnerships with the town, schools, local sports teams, Scouting and Guiding groups are a cornerstone of the Lions' community efforts. Together, they have been working on Christmas hamper drives to ensure families in need experience the magic of the holiday season.

The Lions' reach extends far beyond PCSP, with members actively participating in global service projects. Recently, Lion Rachel Moss represented Canada as the Youth Cultural Exchange Ambassador at the Africa Lions Forum, while Lion Brad Moss joined Team Broken Earth in Guatemala to provide free eye tests and glasses to individuals who otherwise could not afford them.

Closer to home, the Lions' popular Goods Bingo has quickly become a community favorite. Mark your calendars for our upcoming BIG Bingo fundraiser on February 4th which will support a local youth in need of a vehicle lift, showcasing the club's dedication to meeting unique community needs.

The PCSP Lions Club continues to lead with compassion and dedication, proving that no act of kindness is too small to make a big difference.

To learn more or get involved, visit their social media pages or attend an upcoming event!

BUDGET

2025

As the budget process concludes for another year for the Town of Portugal Cove-St. Philip's, we want to take a moment to express our deepest gratitude to you, our residents. Your engagement throughout the budget process—sharing your ideas, attending public meetings, and completing surveys—has been invaluable. Your thoughtful contributions and dedication to our town's future demonstrate the passion and commitment that make our community so special. By working together, we continue to shape a brighter, more vibrant Portugal Cove-St. Philip's. Thank you for caring about the place we all call home and for striving to make it even better for everyone who lives, works, and grows here. Your voice is at the heart of our decision-making, and we are proud to move forward with a budget that reflects your input and priorities. Together, we are building a stronger, more connected community.

You can view the 2025 budget package on our website, pcsp.ca/local-government/budget-tax-structure

SPREADING Christmas Cheer

December was one of the most rewarding months of the year in our community, as we came together to share the joy and generosity of the holiday season. One of the most impactful efforts was the creation of Christmas hampers, ensuring that families in need experienced the warmth and love of this special time of year.

In partnership with the PCSP Lions Club, local groups, schools, and generous businesses throughout Portugal Cove-St. Philip's, we successfully assembled over 30 hampers. These hampers provided essential items, treats, and holiday cheer to families across our community.

In addition to this, we worked with students from Beachy Cove Elementary, Brookside Intermediate, and children throughout the community to create one-of-a-kind holiday greeting cards. These heartfelt creations were shared with seniors in our community, spreading smiles and reminding them they are cherished during the holiday season.

We extend our heartfelt thanks to everyone who contributed—whether through donations, time, or creativity. Your kindness made these initiatives possible and ensured that the spirit of the season was in every corner of our town. Thank you to the Portugal Cove-St. Philip's Lions Club for partnering with us on the Christmas Cheer project throughout the month of December, and making our community brighter.

WINTER REMINDERS

Did you know?

As winter settles in, it's important to ensure your garbage and recycling can be safely collected despite snow and ice.

Here are a few tips to help:

- **Keep Your Garbage Box Accessible:** Clear away snow and ice from around your garbage box to allow easy access for collection crews.
- **Mark Your Garbage Box Clearly:** Use reflective markers or flags to make your garbage box visible in snowy conditions, especially during low-light winter mornings.
- **Place Items Curbside Safely:** If you don't have a garbage box, place bags and bins securely curbside on collection day, avoiding spots where they might be buried by snow plows.

By keeping your garbage and recycling areas safe and accessible, you're helping our crews complete their work efficiently while keeping our community clean.

THANK YOU FOR YOUR COOPERATION THIS WINTER!

Did you know?

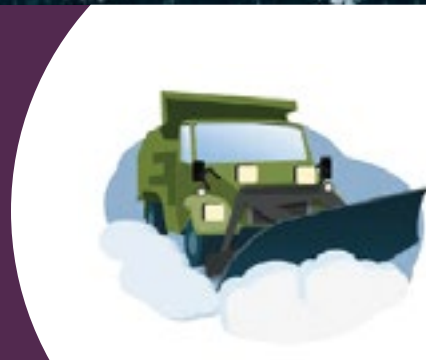

PCSP offers fantastic trails for you and your pets to enjoy during the winter months!

Let's keep our trails clean and enjoyable for everyone by picking up after our pets and using the waste bins provided along the way.

Experience winter evenings at Voisey's Brook Park, where groomed and lighted trails provide the perfect setting for a stroll. If you spot our crews working on trail grooming, don't forget to wave hello!

Winter Parking Ban

With winter weather on the way, we would like to remind residents and motoring traffic of the winter parking ban. During the period from **November 1st to April 30th**, both days inclusive, no person shall park, leave, or abandon any vehicle or any portion of any vehicle upon any Street Reservation within the Town **between the hours of 12:00 midnight to and including 8:00am; and at any time when there is a snowfall and for 12 HOURS after the snowfall has ceased.** Vehicles left on the roadway may be subject to a ticket or be impounded at the owner's expense.

Waste Collection Schedule 2025

The 2025 waste collection schedule is now available! Residents can download it directly from our website at pcsp.ca, and printed schedules will be delivered to mailboxes in early 2025.

For immediate access, visit our website today: pcsp.ca/services/garbage-recycling-services

PLEASE NOTE: Due to the ongoing Canada Post strike, mail delivery has currently paused and the schedule will be mailed to all households when Canada Post services resume.

Happy Holidays and Happy New Year

Introducing the **TOWNS AND LOCAL SERVICE DISTRICTS ACT**

Residents of Portugal Cove-St. Philip's will benefit from significant changes to municipal governance with the introduction of the Towns and Local Service Districts Act (TLSDA), which comes into effect on January 1, 2025. This modern and enabling legislation replaces the Municipalities Act, 1999 and is designed to help towns and local service districts better meet the needs and expectations of their communities.

The TLSDA provides municipalities with increased autonomy and flexibility, empowering towns to address local issues and opportunities more effectively. By reducing the need for ministerial oversight and cutting red tape, the Act ensures that decision-making processes are streamlined, allowing towns to focus on what matters most—building strong, sustainable communities.

A key feature of the TLSDA is its emphasis on transparency and accountability. All council meetings, including committee meetings, will now be open to the public, except in cases where legitimate reasons require a closed session. This change fosters greater public oversight, encouraging residents to engage with and understand the decisions that shape their community.

The Act modernizes language, using gender-neutral terminology, and eliminates outdated requirements, such as mandatory newspaper advertising for public notices. Instead, towns can now use modern technology to communicate effectively with residents, ensuring timely access to important information.

Ultimately, the TLSDA supports the creation of safer, more sustainable, and economically vibrant communities. By prioritizing good governance, transparency, and innovation, it ensures that municipalities like ours can meet the evolving needs of residents today and in the future.

For more information or to view the schedule of council and committee meetings, visit our website at pcsp.ca or the iCompass portal at pcsp.civicweb.net

HELP KEEP OUR COMMUNITY SAFE WITH SCHOOL BUS SAFETY TIPS

As winter weather conditions are upon us once again, all drivers are reminded to use extra caution when behind the wheel. Here are some tips to help keep everyone safe:

1. Drivers are required to stop when any school bus has its **red stop signs** flashing and wait until the stop sign has closed.
2. Parents and passengers, please wait for the bus to come to a complete stop and for its stop sign to be flashing before moving to board the bus.
3. When **yellow lights** are flashing prepare to stop.
4. A "School Zone" means the portion or length of highway between the two posted signs indicating a school zone, in PCSP the posted speed limit in School Zones are 30 km/hr.
5. Drivers travelling in both directions in all traffic lanes (this means single, double, triple lanes on either side) must come to a complete stop when the school bus has its red lights flashing and stop sign out.

DID YOU KNOW? You can be fined between \$500 - \$1,200 for illegally passing a school bus and speeding in a school zone can lead to vehicle impoundment and fines from \$400 - \$1,800 and up to six demerit points (Source: gov.nl.ca)

DID YOU KNOW? There are over 1000 students who attend daily classes in PCSP and use the school bus to get to their classes safely.

DID YOU KNOW? Every school bus has danger zones! The danger zone is the 10 foot area around the bus in every direction. The most dangerous areas of the bus are the front of the bus and the right rear tire area.

DID YOU KNOW? You can report unsafe driving around school busses with the RNC's online reporting tool.

Winter storms can happen almost anywhere. They can cause us problems. Know what to do before, during and after a storm. This will help keep you and your family safe from a winter fire.

- Test all smoke alarms. Do this at least once a month. This way you will know they are working. Install carbon monoxide alarms in your home. Test the alarms.
- Plan two ways out of the home in case of an emergency. Clear driveway and front walk of ice and snow. This will provide easy access to your home.
- Make sure your house number can be seen from the street. If you need help, firefighters will be able to find you.
- Be ready in case the power goes out. Have flashlights on hand. Also have battery-powered lighting and fresh batteries. Never use candles.
- Stay aware of winter weather. Listen to the television or radio for updates. Watch for bulletins online.
- Check on neighbors. Check on others who may need help.
- Generators should be used outdoors. Keep them away from windows and doors. Do not run a generator inside your garage, even if the door is open.
- Stay away from downed wires. Report any downed wires to authorities.
- Be ready if the heat stops working. Use extra layers of clothes and blankets to stay warm. If you use an emergency heat source, keep anything that can burn at least 3 feet away.
- Turn portable heaters off when you leave the room. Turn them off when you go to bed.

IMPORTANT REMINDER

There are more home fires in winter than in any other season. Half of all home heating fires happen in December, January and February.

As you stay cozy and warm this winter season, be fire smart!

Fact
Nearly half of all space heater fires involve electric space heaters.

MAYOR'S *message*

HAPPY NEW YEAR!

A new year is always filled with promise and excitement, and 2025 is no exception. It's a time to reflect on where we've been, set new goals, and embrace the opportunities ahead. For our community, it's a fresh chapter to continue building on our shared successes and envisioning an even brighter future for Portugal Cove-St. Philip's.

This past November, we passed the 2025 budget that will see the installation of sidewalks, a new community space on Hardings Hill, an increased budget for the septic tank rebate program, Broad Cove River trail development and many other initiatives and projects that contribute to the well-being of our community. Thank you to those who engaged with us throughout the budget process, we received a high level of engagement from residents – we hope to continue this trend, and we believe that working and growing together as a community is a strength.

Speaking of community strengths, during the holiday season the generosity we witnessed was incredibly touching. Thanks to crucial community partnerships, we were able to fill hampers for families

throughout the community with support from PCSP groups and businesses. As well, students with Beachy Cove Elementary and Brookside Intermediate spread holiday cheer to seniors in the community with handmade greeting cards that brought smiles all around.

Our Recreation and Community Services department have exciting events all throughout the winter months. Our Winter Carnival is back for another year, and I encourage you all to see the beauty in winter and attend the events. We'll also be hosting our Seniors St. Patrick Day celebrations, and have many programs and classes to attend to chase away those winter blues.

As always, our strength lies in the passion and involvement of our residents. Your voices, ideas, and efforts are what make PCSP so special, and I look forward to working with you to make 2025 a year to remember.
