7. ADDITIONAL TERMS

1. Sub-Contracting

Using a Subcontractor (who must be clearly identified in the proposal) is acceptable. This includes a joint submission by two Proponents having no formal corporate links. However, in this case, one of these proponents must be prepared to take overall responsibility for successful interconnection of the two product or service lines and this must be defined in the proposal.

Subcontracting to any firm or individual, whose current or past corporate or other interests may, in the Town's opinion, give rise to a conflict of interest in connection with this project will not be permitted. This includes, but is not limited to, any firm or individual involved in the preparation of this proposal.

2. Liability for Errors

While the Town has used considerable efforts to ensure an accurate representation of information in this RFP, the information contained in this RFP is supplied solely as a guideline for Proponents. The information is not guaranteed or warranted to be accurate by the Town, nor is it necessarily comprehensive or exhaustive. Nothing in this RFP is intended to relieve Proponents from forming their own opinions and conclusions with respect to the matters addressed in this RFP.

3. Agreement with Terms

By submitting a proposal, the Proponent agrees to all the terms and conditions of this RFP. Proponents who have obtained the RFP electronically must not alter any portion of the document, with the exception of adding the information requested. To do otherwise will invalidate the proposal.

4. Use of Request for Proposal

This document or any portion thereof, may not be used for any purpose other than the submission of proposals.

- c. A proposal which is unqualified is one that exceeds the cost expectations of the Town and/or does not meet the terms and conditions contained in the RFP and/or do not meet the needs and specifications of the Town. The Town reserves the right to reject any or all unqualified proposals.
- d. The Town reserves the right to cancel this RFP at any time. The lowest, or highest ranking, or any bid may not necessarily be accepted.

9. ADDITIONAL NOTES

1. MUNICIPAL CONDUCT AND CODE OF CONDUCT COMPLIANCE

For the purposes of this procurement and any resulting contract, all contractors, subcontractors, consultants, and their employees or agents engaged by the Town and acting under the direction of the Town shall be deemed to be Municipal Officials as defined under the Municipal Conduct Act.

Accordingly, such parties are subject to and shall comply with the Town's Code of Conduct, as amended from time to time. The Code of Conduct is available at the following link: [<https://pcsp.ca/local-government/policies-bylaws/>].

Failure to adhere to the Municipal Conduct Act and/or the Town's Code of Conduct may result in corrective action by the Town, including but not limited to termination of the contract.

2. PROVINCIAL SUPPLIER ALLOWANCE

In the evaluation of submissions, the Town must apply a ten per cent (10%) reduction to the bid price of a provincial supplier prior to the evaluation based on the thresholds for the Canadian Free Trade Agreement (CFTA). The 10% reduction only needs to be applied when the evaluation includes suppliers that are not provincial suppliers.

The submission with the lowest price, following the application of the provincial supplier reduction allowance if required, and that meets all the requirements will ultimately be determined to be the preferred supplier and be awarded a contract if an award is made.

3. ATIPPA

The financial value of any contract resulting from this procurement process will be publicly released as part of the award notification process.

This procurement process is subject to the Access to Information and Protection of Privacy Act, 2015 (ATIPPA). Proponents are advised that:

- Information submitted to the Town may be subject to disclosure under ATIPPA
- Proponents should clearly identify any specific information in their submission that they believe may qualify for an exemption from disclosure under subsection 39(1) of ATIPPA
- If no specific information is identified, it will be assumed that the Proponent does not consider any portion of their submission to be exempt

The Town will use its discretion in determining whether information qualifies for exemption and will comply with all applicable legislation.
